JURISDICTION AND VENUE

1. This action arises under the patent laws of the United States, Title 35 of the United States Code. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a). On information and belief, the Defendants are subject to this Court’s specific and general personal jurisdiction, pursuant to due process and/or the Texas Long Arm Statute, due at least to their substantial business in this forum, including related to the infringements alleged herein. Further, on information and belief, Defendants have interactive websites comprising infringing methods and apparatuses which are at least used in and/or accessible in this forum. Further, on information and belief, Defendants are subject to the Court’s general jurisdiction, including from regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to persons or entities in Texas.

2. Venue is proper in this district under 28 U.S.C. §§ 1391(b), 1391(c) and 1400(b). Without limitation, on information and belief, Defendants are subject to personal jurisdiction in this district. On information and belief, the Defendants are subject to this Court’s specific and general personal jurisdiction in this district, pursuant to due process and/or the Texas Long Arm

Statute, due at least to their substantial business in this district, including related to the infringements alleged herein. Further, on information and belief, Defendants have interactive websites comprising infringing methods and apparatuses which are at least used in and/or accessible in this district. Further, on information and belief, Defendants are subject to the Court's general jurisdiction in this district, including from regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to persons or entities in this district.

3. Further, venue of this action is appropriate and convenient because this Court previously heard a parallel action for infringement of the same '474 patent in *Geomas (International), Ltd., et al. vs. Idearc Media Services-West, Inc., et al.*, Civil Action No. 2:06-CV-00475-CE ("the Geomas Lawsuit"). In the Geomas Lawsuit this Court considered and construed the terms and claims of the '474 patent, as set forth in the Court's Memorandum Opinion and Order issued on November 20, 2008.

COUNT I

INFRINGEMENT OF U.S. PATENT NO. 5,930,474
